

Community
for You

March/April 2024

Dear Trinity Friends and Community Merchants,

Trinity Lutheran Church is hosting a **Children, Youth, and Family Fundraiser** on **Sunday, April 21st, 2024**. The aim of this event is to raise funds for our 2024 summer experiences. Our 4th-8th graders will enjoy a week at Camp Wapo in Amery, Wisconsin, while our high school youth will travel to New Orleans for the ELCA Youth Gathering. All proceeds from this fundraiser will go towards covering expenses to make these faith-based experiences affordable and to provide scholarships for students in need.

Curious about what to donate? Here are a few ideas:

- Restaurant gift cards
- Gift baskets
- Experiences- a weekend at a cabin, horseback riding, music lessons
- Tickets to a sporting event, concert or theatre productions
- Gift certificates to a local store
- Electronics
- Wine
- Kids toys

We would appreciate receiving your donation no later than **April 14th**. A tax donation letter will follow post-event or upon receipt of your contribution. We value your support, and if donated from a business, your business name will be displayed and recognized during the event.

We extend our heartfelt gratitude for your support on behalf of Trinity Lutheran Church. Your contributions towards our summer opportunities not only impact the lives of those involved but also make a meaningful difference to the communities they serve and the places they travel to.

If you have any questions, please feel free to reach out to us at any time.
Thank you very much!

Sincerely,

Julie Vagle
