

# Support ORONO Students

## **VOLUNTEER MENTORS NEEDED!** *High School-Age & Adult*

### **Volunteer in the SPARKS Program**

#### **Grades K-8**

- After school homework help program from 3-5 pm for Orono students.
- Weekdays in Maple Plain and Long Lake.
- Flexible volunteer schedule. Volunteer training provided.

Volunteers help students complete homework assignments, play academic and skill-building games, read to and listen to them read, and provide general support and positive role modeling.

### **Volunteer in the STRIVE Program**

#### **Grades 9-12**

Orono STRIVE is a program designed to pair community mentors with Orono high school students. STRIVE is offered in partnership with the Orono Rotary. The program focuses on engaging students by providing encouragement and support to help students discover their own strengths and take charge of their education, career and goals. Mentoring occurs once per month during the school day.
