5. Add Additional Campers

If you're registering more than one camper, complete the first registration and then click "Add Camper" to continue.

6. Complete Your Registration and Payment

Once all registrations are complete, you can proceed to make payment and finalize your registration. If your congregation is covering your campers cost, you will not need to complete this step.

This is the last step in the registration process if your group is covering the cost of your child's registration. If your group (congregation) is not fully covering the expenses, the next step is to make a deposit payment for your camper's registration to finalize the process. Without this deposit, your camper will be enrolled (not registered) and may risk losing their spot as the program fills up for the summer.

For assistance in establishing a payment plan, please reach out to our office. Additionally, we offer Camperships; you can find more information on our website at [CAMPER INFO](#). About halfway down the page, you'll come across the link to the request form.

Next step is to complete your camper's forms. These forms are downloadable on your child's registration portal, or you can click here to access all [CAMPER FORMS](#). Information regarding the requirements is also outlined here.

Thank you for registering with Sky Ranch Lutheran Camp! We're excited to welcome you to the mountaintops this summer!
