

Seeds of Hope Accompaniment* Trip

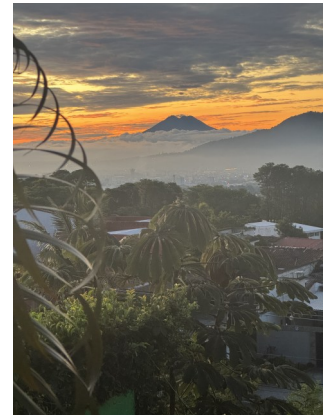

Seeds of Hope is once again planning a trip to El Salvador to connect with our sponsored children/youth, their families, the pastors and program staff of our six churches. Daily trip activities include service, sponsorship parties, visits to historical site, hearing testimonies, small group devotions, worship and more.

The participants will stay at an air-conditioned, safe, clean guesthouse

complete with wifi. Meals will be provided at the guesthouse and/or in carefully selected restaurants. Each day we will fill our water bottles with purified water to carry with us. Air-conditioned minibuses and coasters driven by competent drivers will bring us from place to place.

The trip is set for August 10 - 17 and the cost is \$1800. A non-refundable deposit is due March 15. **Please speak with co-leaders Jenny Florio (608-963-7368) or Pastor Kristie Hennig (651-235-2451) if you would like more information.**

*We use the term accompaniment (rather than mission) because in the Seeds of Hope Program we complement, rather than dominate our equal partners in El Salvador — coming alongside, walking hand-in-hand as we provide financial and spiritual support to the students and share our faith stories with one another.
