

trinity lutheran church

brick oven ministry survey

Breaking Bread. Building Community.

Trinity's connection to the community is at the heart of its ministry. An outdoor brick oven could support existing programs like *Summer Nights* and the *Agape Gift Market*, while also creating new opportunities for small groups, youth, and adult ministries to gather around bread-and pizza-making. Shared food and shared work help build community. The oven could also offer opportunities to raise funds for Trinity ministries or community partners.

Before moving forward, we'd like to gather input from Trinity & community members. **Please share your thoughts below.**

Your connection to Trinity:

- ☐ Trinity member/volunteer ☐ Community member who attends/supports Trinity events

Your perspective on an outdoor brick oven at Trinity:

- ☐ I support building a brick oven ☐ I do not think this is a good idea
☐ I'm unsure / would like more information

How might you engage? (check all that apply)

- ☐ Purchase bread, pretzels, or pizza
☐ Attend a pizza or food event
☐ Use the oven with a ministry I'm part of (list): _____

☐ Help build the oven
☐ Help with baking days
☐ Help fire the oven
☐ Help manage scheduling/use
☐ Donate toward construction
☐ Other: _____
☐ Please contact me to discuss

Additional comments:

Name: _____

Phone/email: _____

Thank you for sharing your input as we explore this opportunity.
